

TRAFFIC ADVISORY

Lane Reduction on West Verdugo Avenue in between Orchard Drive and North Reese Place in the City of Burbank Beginning October 5

SoCalGas crews are expected to work in the area for approximately 16 weeks

- WHAT:** SoCalGas will be performing pipeline replacement work along West Verdugo Ave. in between Orchard Dr. and North Reese Pl. in the City of Burbank. Work is scheduled to begin Monday, October 5 and is expected to continue through January 2021.
- To perform this project safely, the eastbound lanes of West Verdugo Ave. will be reduced to one lane and there will be no access to the McDonald's parking lot via West Verdugo Ave., during work hours.
- Traffic control cones and flaggers will help direct the flow of traffic. Residents, local businesses, and commuters may hear work-related noise and see excavation equipment and vehicles during construction hours.
- No interruption to natural gas service is anticipated.
- Customers may smell the odor of natural gas. Although this is normal when crews are working, SoCalGas encourages anyone who smells gas to call us at 1-800-427-2200. SoCalGas is available 24 hours a day, seven days a week.
- WHERE:** West Verdugo Ave. in between Orchard Dr. and North Reese Pl. in the City of Burbank, as shown [here](#).
- WHEN:** Work hours are from 6:30 a.m. to 5:00 p.m. Monday through Friday, subject to change. Work will begin on October 5 and end in January 2021, weather and other conditions permitting.
- PUBLIC CONTACT:** Customers with questions or concerns about the construction work may call SoCalGas' Customer Contact Center 24-hours a day, seven-days a week at 800-427-2200. Our top priorities are to work safely and to provide the communities we serve with safe and reliable natural gas service.
